LINDLAY, Ohio, Aug. 29, 1904.

Mr. A. F. BURK, Marion, Ohio.

Friend Burk:—After so long a time I thought I would give you some idea of how we are getting along with our Harrison Mutual Association. It was on the 17th day of March, 1901, when we bought the copyright and began to organize on the 21st day of March of the same year. On the 5th day of April we had our first death and from that date on we have had the best success in regard to membership. We now have something over nine thousand members in good standing and at present are writing members faster than ever. Last month we wrote a new member every 30 minutes for 30 days. Yours respectfully, JNO. D. RENSHER.

Indianapolis, Ind., has over 12,000 members. Topeka and Wichita, Kansas, report 10,000 each. Honolulu Association has over 2,800 members and are writing new members every day.

Good health and an age between one and seventy years with \$4.50 cash entitles one to the full benefits of the Association. Our office is in the Day Block, next to the Central Fire Station, on Beretania St., or if you are too busy to call at the office just 'Phone Main 411, and we will be pleased to serve you.

NEW YEAR'S RACES

Hilo, Oct. 25.—Preparations are in
progress for the annual race meeting
in Hilo to be held during the Christ-
mas holidays. A movement is on foot
to organize a local jockey club, which
will include the owners of some of the
fastest racers on the island turf, as
well as a large number of lovers of
good racing. It is proposed to incor-
porate and to take over from the Vol-
cano Stables, Hoonani Park, which
will be maintained in first-class con-
dition and made an attractive race
course. Several additional fast horses
are expected down on the next Enter-
prise. C. McLennan of Papania is
importing from the Coast "Royal F"
for the New Year's races in charge of
Jockey Burlingame. John O'Rourke
will bring down "Iron King," a well
known Coast racer, and will put him
into training for the winter meet.

ing. Practically the whole population
had turned out and I was well receiv-
ed. I mentioned in my speech the de-
cision in the Federal Court by means
of which I was granted permission to
visit the settlement. This whole af-
fair has caused a great deal of com-
ment there and the decision of Judge
Dole had done much in our party's fa-
vor.

"During my absence I heard the
news of the changes in the Police De-
partment. This news created a great
stir on Maui and Molokai. The action
of the Governor in the matter and
the nature of the reasons given for
the causing of Brown and Chilling-
worth to resign have caused much
comment and has done much toward
insuring the success of the Democratic
party. Even Republicans expressed
their regret over Governor Carter's ac-
tion in this matter.

"I will start on a tour around this
island on Monday. Next Thursday I
will start for Kauai, of which island
I will make a complete circuit."

Wills—"It must be hard work for
actors to fit themselves for the
stage." Wise—"Oh, I don't know; they
simply study their parts and shape
themselves accordingly."
